Outstanding points to be considered in selecting farm products for exhibition are: quality, uniformity, condition, and maturity.

In cases where there are only one or two entries in a category the awarding of first premium will be based on the merits of the exhibit as decided by the judge.

The superintendent shall have the right to remove from show any exhibit or any part thereof that is unsightly. Superintendents may also divide any class that is too large in numbers, in the way they see best.

Entry tags will be filled out by Agriculture Department Staff at entry time. Do not pick up tags in advance and fill out. You may help us on entry day by writing in your name, address or use return address labels.
