WOODBURY COUNTY FAIR'S "OLD TOWN"

Step back in time and stroll the boardwalk of "Old Town." Located in the southeast part of the Woodbury County Fairgrounds, "Old Town" is a collection of historical buildings moved from various locations in or around Woodbury County. Our one room school was moved here from the Wolf Creek Township and is complete with desks and teaching materials from the time. The Concord Mercantile is a popular destination during the fair - offering Sioux City Sarsaparilla and candy. Come sit a spell in the Peiro Church, built in 1878 - Grant Township residents worshiped in this church until 1966. The Blunk House serves as the parsonage to our "Old Town" church and houses craftsmanship of the era. Nestled between the parsonage and the church you'll find a more recent addition to "Old Town" - the Burright Memorial Garden, which is a beautiful spot to catch up with friends and view the scenery. The Gazebo is another quiet spot to sit and visit, away from the hustle and bustle of the main fairgrounds. Step inside the Old Glory Dance Hall and view the painted barn quilt replicas - and if your timing is right, you may even hear someone playing a tune on the piano. The east block of "Old Town" is completed with the Pepper Junction train depot, where you can see an actual train track and platform bricks. (Inside you can view our display of local livestock brands.) Cross the street again and you can step into the "Old Town" Post Office with furniture that was contributed by the post office in Haverhill, Iowa. The Marshall's office houses jail cells, which once served as a confinement place for those who were unruly in the town of Pierson. The Sadler House contains many vignettes depicting life in the early days of Woodbury County. Bollin Stable serves as the Livery Barn and hosts the Meyer Petting Zoo during the fair. Bring your children and grandchildren to play old-fashioned games, take in a show, or take a spin around the pedal farm. Come experience days past in Woodbury County Fair's "Old Town".

BILL RILEY TALENT SEARCH 2025

Sponsored by Woodbury County REC

Superintendents: Kathy Clarkson (712) 251-9844 (kathycla@wiatel.net)

& Tom Gerking (712) 899-6344

The Woodbury County Fair will hold two complete Bill Riley Iowa State Fair Talent Searches. The contests will be on Thursday, July 31, at 7 PM and Saturday, August 2, at 7 PM. The competition will be in Flathers Hall on the fairgrounds in Moville. The search is divided into two divisions, Sprouts--Ages 2 through 12, and Seniors--ages 13 through 21. The winner of each division will be entitled to enter the competition at the Iowa State Fair. If the first-place winner cannot attend the Iowa State Fair, the second-place winner may compete.

Prizes in each division will be 1st--\$75; 2nd--\$50; and 3rd--\$25. A special prize of \$25 will be awarded to the highest placing Woodbury County resident in each division.

The following rules are specified by the State Fair Talent Search. We have no means for checking every rule the day of the contest, however, you will be disqualified at state if you break one, so make sure your act is within these rules before you come.

1. Show is open to legal residents of the state of Iowa only. Acts must appear in a locally sponsored/Iowa State Fair sanctioned show somewhere in the state of Iowa and be the show qualifier to be eligible to compete at the Iowa State Fair. Judges' decisions are final.
2. Sprouts: Ages 2 through 12 years and Seniors: Ages 13 through 21 years

Seniors and Sprouts must qualify within the age requirement at local shows. For example, if you are 21 and don't qualify before you are 22, you are ineligible. All Sprout acts must qualify for the State Fair at the age of 12 or under.

The following applies only to the competition at the Iowa State Fair, NOT local shows: A person's age for the Iowa State Fair competition is determined at the time they win a local show. A 12-year-old who wins a local show (or 21-year-old) could turn 13 (or 22) by the State Fair and still be eligible in the Sprout (or Senior) division, as they met age requirements at the time of qualification at a local show.

This applies to individuals or anyone in a group who qualifies at a local show at age 12 but turns 13 before the State Fair. If more than one performer in a group turns 13 before the State Fair, thus making the Sprout act have two or more 13-year-olds, that act will automatically become a Senior act.

3. Professionals are NOT permitted to compete. This includes Union musicians and anyone whose principal source of income is from their talent. Compensation for performing at weddings, etc. does not constitute principal source of income.
4. Acts must keep the performance to three minutes. Acts timed past three minutes are subject to possible disqualification or point deduction. Five seconds over would be a starting point to begin deductions, ten seconds over or longer can be considered for disqualification. This is at the judge's discretion and should be monitored carefully. There are two different timers at the state level, so we are very serious about the three-minute rule. Set-up time is not included. Limit set-up time to one minute. Official time starts when music starts and ends when the music is done.

5. No more than five persons are allowed in an act. Piano accompanist is NOT included in an act and may be any age. No more than three accompanists permitted per act. Drums, amps, etc. are discouraged due to the one-minute set-up time. No combos, rock bands or similar musical groups permitted.
6. **All acts must pre-register with the Talent Show Superintendent prior to the day of the talent show.**
7. Acts will need name, complete address, birth date, age, phone number (include area code), email, and type of talent. Multiple acts need one member to act as a contact person with all information going through them. Additional members of the act need only birth date, age, and town.
8. Acts are asked to not dance onto or off the stage. After introductions, you may take any position you wish to begin your performance.
9. Vocalists can perform with an accompanist or prerecorded track on a USB flash drive. Prerecorded tracks should be instrumental only. Any prerecorded track with backing vocals is not allowed, and the act will be disqualified.
10. Looping (typically seen in vocal or instrumental performances) is allowed as part of an act as long as each loop is performed live on stage. Previously recorded loops will not be allowed. Looping equipment must be provided by the contestant.
11. Foul language is not allowed in the Bill Riley Talent Search. Acts performing to or singing pieces with inappropriate lyrics will be disqualified, and the show coordinator will encourage performers to compete with a different song.
12. Contestants may only appear once in any given show. This applies to qualifying shows as well as the competition at the Iowa State Fair. They may not perform "solo" and then return in the same show in a duet or trio. Contestants are allowed to perform in different acts in different shows, but they may only qualify for the State Fair Show with one act. Once a performer has qualified for the State Fair, they are not allowed to perform in local shows as part of another act.
13. Only one qualifier from each division (Sprout and Senior) of a local show is permitted to advance to the Iowa State Fair. **NO TIES** are permitted in all placing.
14. Exceptions may be made at the discretion of Iowa State Fair staff or Bill Riley Jr.
15. An act already qualified may not compete in this contest but may appear as entertainment during the judges' conference. **(This is a Woodbury County rule. Since we are one of the last shows to qualify for the State Fair, this gives more people an opportunity to qualify.)**

Check-in Procedures:

Thursday, July 31, or Saturday, August 2. Meet in Flathers Hall at the north bleachers around 6:15 PM. Tom Gerking or Kathy Clarkson will be there to check in the participants

The **general comment** section of the judge's ballots will be returned to participants at the conclusion of each show.

They also must re-qualify when returning after the one-year absence and be 12 years old or less to compete in the Sprouts division. PREMIUMS: \$3.00 (1st) - \$2.00 (2nd) - \$1.00 (3rd)

Exhibitors are responsible for knowing which class and category their specimens are to be entered. Superintendents may suggest into which class and category specimens belong, but are not a fault for wrong entries. Exhibitors are asked to give variety names of new specimens, if possible, for benefit of our viewers. Outstanding points to be considered in selecting farm products for exhibition are: quality, uniformity, condition, and maturity. In cases where there are only one or two entries in a category the awarding of first premium will be based on the merits of the exhibit as decided by the judge. The superintendent shall have the right to remove from show any exhibit or any part thereof that is unsightly. Superintendents may also divide any class that is too large in numbers, in the way they see best. Entry tags will be filled out for the Agriculture Department Staff at entry time. Do not pick up tags in advance and fill out. You may help us on entry day by writing in your name, address, or use return address labels.

If more than one member of the family is entering exhibits, please divide entries between family members, NO doubling exhibits from the same garden or farm.

Exhibits showing deteriorating signs; cracked tomatoes, rotting cabbage, excessive bug damage, etc. will not be accepted.

The judge may cut one specimen of each exhibit. Paper plates will be provided, but remember a box or sack to take your exhibits home if you want them. Root crops may be washed if necessary, or brush off dirt with a soft brush when you pull or dig. Remove from soil when ground is dry. Onions should have drop tops of about one inch. Best not to remove any skin; brush dry dirt off, if necessary. Trim onion roots to one inch. Leave ½ inch stem on all cucumbers. Leave a good sturdy 2 to 3 in stem on pumpkins and squash. Beans and peppers should also retain their stems. Ripe cucumbers must be yellow.

Tomatoes will be exhibited by size or shape, not variety name. Tomatoes must be ripe, remove the stems, and select uniform specimens without cracks or spots. Cherry & plum tomatoes will be divided for size before judging. Rhubarb: tie both ends of the rhubarb stalks (pull rhubarb – don't cut bottom of stalk. Leave small one-inch fan of leaves). Dill: 10–12-inch stems tied at both ends. Cut tops off beets, carrots, kohlrabi, parsnips, turnips, and others, before bringing them to the fair. Most require a 2-inch stem, and a complete taproot. Kohlrabi must leave a 2-inch root. Vegetables that wilt will be displayed in a jar of water. Parsley must be five complete stems, not just the leaflets from one stem. Display ½ pint of dry shell beans in a one-pint clear glass jar. Type of bean should be given on entry tag. Any other vegetables will include only something different from the other listed categories. Example: any other pepper has to be entered as such.

2025 HEALTH REQUIREMENTS FOR EXHIBITION OF LIVESTOCK, POULTRY AND BIRDS AT A COUNTY 4H/FFA FAIR EXHIBITION

The Iowa 4-H Livestock website will have the health requirements for state, district and county: <https://www.extension.iastate.edu/4h/livestock> - below are the County Health Requirements.

ANY EVIDENCE OF WARTS, RINGWORM, FOOT ROT, PINKEYE, DRAINING ABSCESES OR ANY OTHER CONTAGIOUS OR INFECTIOUS CONDITION WILL ELIMINATE THE ANIMAL FROM THE SHOW.

No individual Certificate of Veterinary Inspection will be required on Iowa origin animals or poultry exhibited at County 4-H/FFA FAIR, but the animals must be inspected when unloaded or shortly thereafter by an accredited veterinarian. Swine are required to be inspected either before being unloaded or before leaving a designated isolation and inspection area (prior to mixing with any other pigs). All animals moving from out of state into an Iowa county 4H/FFA fair must meet Iowa Animal and Livestock Importation requirements. Each show must have an official veterinarian.

Quarantined animals or animals from quarantined herds cannot be exhibited.

Official identification listed on a Certificate of Veterinary Inspection required for all cattle and bison of any age coming in from out of state used for rodeos, recreational events, shows and exhibitions.

SWINE

All swine must originate from a herd or area not under quarantine and must be individually identified. All swine are required to have individual official identification. All 4-H and FFA tags bearing the US Shield are official identification tags.

Swine originating outside of Iowa. All exhibitors must present a test record and Certificate of Veterinary Inspection that indicate that each swine has had a negative test for pseudorabies within 30 days prior to the show (individual show regulations may have more restrictive time restrictions), regardless of the status of the herd, and show individual official identification on test report. Electronic identification will not be considered official identification for exhibition purposes.

Swine exhibition requirements. "Swine exhibition" means an exhibit, demonstration, show, or competition involving an event on the state fairgrounds, a county fair, or other exhibition event. The sponsor of the exhibition must retain an Iowa licensed veterinarian to supervise the health of the swine at the exhibition location. The sponsor must electronically file the

approved registration form and obtain approval from the state veterinarian at least 30 days before the event. The registration form includes the name of the exhibition and the address and telephone number of its location; the name address and telephone of the veterinarian; and the date of the planned exhibition. Sales of swine will not be allowed unless the event has been registered and received approval from the state veterinarian 30 days prior to the event.

Swine exhibition report required. The sponsor of the swine exhibition shall electronically submit to the department the approved report form within five business days after the conclusion of the exhibition. The form includes the name of the exhibition and the address and telephone number of its location; the name, address and telephone number of the veterinarian; the date that the exhibition occurred; the name, address and telephone number of the owner of the swine; and the address and telephone number of the premises from which the swine was moved after the exhibition if such premises is a different premises.

All sexually intact goats must be identified with an individual Scrapie Flock of Origin identification tag (Ex. IA1234-5678), another official Scrapie Tag, or by an official tattoo registered with USDA (to register, call 1-866-USDA-TAG; 1-866-873-2824). Wethers less than 18 months of age are required to have an individual identification and a Scrapie tag may be used, but a Scrapie tag is not required.

Poultry and Birds

All poultry exhibited must come from U.S. Pullorum-Typhoid clean or equivalent flocks, or have had a negative Pullorum-Typhoid test within 90 days of public exhibition and the test must have been performed by an authorized tester. (SEE GENERAL SECTION 1.B) **Please note: Poultry purchased from a hatchery and raised for exhibition are not exempt from Pullorum-Typhoid testing requirements.**

However, "Market Classes" of poultry consigned to a slaughter establishment are exempt from the Salmonella testing requirements. "Market Classes" of poultry must be separated from all other poultry by a distance of ten or more feet and/or an eight-foot-high solid partition.

Dogs and Cats

All dogs and cats exhibited must have a current rabies vaccination certificate.

Farm Deer

Accredited veterinarians must be approved to administer tuberculosis tests on Cervidae.

"Cervidae" means all animals belonging to the Cervidae family, and "CWD susceptible Cervidae" means whitetail deer, black-tail deer, mule deer, red deer, elk and moose. Native Iowa Cervidae may be exhibited without other testing requirements when accompanied by a Certificate of Veterinary Inspection that lists individual official identification.

All Cervidae must have been part of the herd of origin for at least one year or were natural additions, or must have originated from a chronic wasting disease monitored or certified herd in which these animals have been kept for at least one year or were natural additions. Cervidae originating from a herd with a diagnosis, signs, epidemiological evidence, or area under quarantine for chronic wasting disease may not be exhibited. The following statement must appear on the Certificate of Veterinary Inspection:

"All Cervidae on this certificate have been part of the heard of origin for at least one year or were natural additions to this herd. There has been no diagnosis, signs, or epidemiological evidence of chronic wasting disease in this herd for the past year."

THE DECISION OF THE OFFICIAL SHOW VETERINARIAN WILL BE FINAL.

Iowa Youth Code of Ethics

Youth are expected to be sincere, honest and act in sportsmanlike ways at all times. Youth represent the entire program and their behavior reflects on their parents, leaders, club and the entire youth program. All adults involved with the youth program, leaders as well as parents, are expected to set positive examples and serve as positive role models by what they say and do. Any youth who breaks the code of ethics or allows another person (adult or peer) to talk them into violating the code of ethics agrees to forfeit all prizes, awards and premiums. The youth may also be prohibited from exhibiting at this and future exhibitions including the Iowa State Fair and other county, state, or regional exhibitions.

Youth agree to follow these guidelines:

1. I will do my own work, appropriate for my age and physical and mental development. This includes research and writing of exhibit explanations, preparing exhibits (such as sewing, cooking, refinishing, etc.), care and grooming of animals, etc. Adult assistance should help guide and support me, not do it for me.
2. All exhibits will be a true representation of my work. Any attempt to take credit for other's work, alter the conformation of animals, or alter their performance is prohibited. Copyright violation or allowing others to complete your exhibit is considered misrepresentation and is prohibited.

3. I will treat all people and animals with respect. I will provide appropriate care for animals.
4. I will present exhibits that are safe for consumption. All food exhibits will be safe to exhibit and for judges to evaluate. Other exhibits will be safe for judges to evaluate and for exhibition.
5. All food animals that may be harvested immediately following the show shall be safe for consumers, shall have met all withdrawal times for all medications, and be free of violative drug residue.
6. If any animal requires medical treatment while at the fair or exhibition, only Official Fair Veterinarian may administer the treatment. All medications that are administered shall be done according to the label instructions of the medication used.
7. My animal's appearance or performance shall not be altered by any means, including medications, external applications and surgical procedures. Any animal that is found to have changed its appearance or its performance shall be disqualified from the show, and have penalties assessed against the exhibitor, parent and/or guardian by the management of the fair or exhibition.
8. I will follow all ownership and possession rules and, if requested, will provide the necessary documentation.
9. I will follow all livestock health requirements for this fair or exhibition, according to the state health requirements as printed in the premium book of the fair or exhibition. I will provide animal health certificates from a licensed veterinarian upon request from the management of the fair or exhibition.
10. By my entering an animal in this fair or exhibition, I am giving consent to the management of the fair or exhibition to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. If the laboratory report on the analysis of any sample indicates a presence of forbidden drugs, this shall be evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the exhibitor, parent and/or guardian to prove otherwise.
11. I am responsible for my exhibit, and I will not allow others to violate this Code on my behalf. By my entering an exhibit in this fair or exhibition I will accept any disciplinary action taken by the management of this fair or exhibition for any violation of this code of ethics and any other rules of competition of the fair or exhibition without recourse against the fair or exhibition.
12. I want my exhibit to be an example of how to accept what life has to offer, both good and not so good, and how to live with and learn from the outcome.
13. I will not be involved in any illegal activities while participating in 4-H and FFA events, including but not limited to alcohol, tobacco or drug use.

I agree to conduct myself in an honest, ethical, and upstanding manner, and I understand that disciplinary actions will result if these rules are violated. I understand that I am expected to represent the program in a positive manner. I have read, understand and agree to follow this Code of Ethics, and any other rules of competition of the fair or exhibition as printed in its premium book.

The above Code of Ethics can be found on the Iowa 4-H web page. All youth who exhibit at the county fair or enrolled in 4-H must have an Iowa Youth Code of Ethics form on file at the Woodbury County Extension Office by May 15. The form is available in 4-H online when 4-H members enroll in 4-H Online at: <https://iowa.4honline.com/> or 4-H members may request forms.

Code of Conduct for Iowa 4-H Youth and Families

The Iowa 4-H Code of Conduct applies and will be enforced with 4-H youth, 4-H parents/guardians, and 4-H families. • While participating in or attending a 4-H sponsored program (e.g. club meeting, project meeting, activity, event, learning opportunity).

- While participating in or attending a 4-H event or while on premises used for 4-H purposes (e.g. County Fair, State Fair, show ring, exhibit building, barn, food stand).
- While representing Iowa 4-H to the public
- Additional programs, events, or opportunities may have additional rules and expectations.
- At all times throughout a 4-H youth's participation when behavior outside of the Iowa 4-H puts youth at risk or has the potential to put youth at risk.

The opportunity to participate in and/or volunteer with Iowa 4-H is a privilege and honor, not a right. All youth participants and parents/guardians supporting their child's participation in 4-H are expected to review and agree to abide by the Iowa 4-H Code of Conduct before becoming involved with Iowa 4-H.

1. I understand that the Iowa 4-H Youth Development program is a non-formal education program in which I have a choice to participate. I accept my responsibility to engage in program activities and to excuse myself from this program if it does not meet my personal learning objectives. I recognize the organization has the responsibility and authority to remove youth who are disruptive to the 4-H Youth Development program, violate the Iowa 4-H Code of Conduct, the standards

of the 4-H Pledge and Motto or federal, state or local laws.

2. I accept my responsibility to represent the Iowa State University Extension and Outreach 4-H Youth Development program by holding myself to the standards of the 4-H pledge and motto. I will refrain from behavior that negatively represents myself, my family, my community, 4-H or Iowa State University. I will act in a respectful and responsible manner during all 4-H programs.
3. I acknowledge that the 4-H program utilizes competition related to project work as a tool for learning. I will ensure that my project exhibits are appropriate and respectful. I will demonstrate good sportsmanship, encourage this behavior in others, and not allow this behavior to detract from the learning experience. I will not let my personal desire to win overshadow the needs of the group.
4. I accept my personal responsibility to be informed and follow the policies, rules, and deadlines established by Iowa 4-H. I will not cheat, lie, knowingly furnish false information, deceive, or otherwise engage in dishonest, unethical or illegal behaviors. I will not encourage others to disregard or intentionally violate conditions of Iowa 4-H participation.
5. I will comply with directions of 4-H officials acting in the performance of their duties. I will not obstruct or disrupt any 4-H program or encourage others to engage in such conduct. I understand that a judge's decision is final.
6. I will strive to be a positive role model. I will treat youth, parents, volunteers, extension and outreach staff, judges and others with respect, courtesy and consideration.
7. I will communicate (oral, written and electronic) in an open, honest, respectful manner in all situations involving the 4-H program. I will refrain from communication that is negative, offensive, destructive or hurtful to others. I will refrain from sharing private matters in a public group setting.
8. I will promote a welcoming, supportive, and respectful environment for all youth, families and staff. I will not engage in or tolerate harassment in any form, (For example bullying, slander, put-downs, insults, taunting, name calling, yelling, profane language, sexual innuendos and other comments or hostile behaviors likely to offend, hurt or set a bad example.)
9. I will ensure a safe environment for myself and others by not carelessly or intentionally harming youth or adults in any way: emotionally, mentally, physically, socially, verbally or non-verbally.
10. I will not possess, offer, or use tobacco, electronic smoking devices (including but not limited to ecigs, vapes, juuls), alcohol or illegal substances. I will not attend 4-H programs under the influence of alcohol or any illegal substance.

Infractions to the Iowa 4-H Code of Conduct will be addressed by the Iowa 4-H Program, the local County Extension District, or their appointed representatives. Infractions to the Iowa 4-H Code of Conduct will result in consequences. The consequences may range from a verbal warning to the loss of privileges (e.g. participation at the event or future events, forfeiture of awards or other forms of recognition, forfeiture of positions of leadership, limitation on volunteer responsibilities) to full removal from the Iowa 4-H Program.

Woodbury County 4-H Grievance Policy during Fair

When Iowa 4-H members participate in events, rules and protocols are written to ensure safety and integrity for all participants. In some situations, Iowa Exhibitor Youth Code of Ethics, The Iowa 4-H Code of Conduct for Youth/Families, Fairbook rules and guidelines, and other event rules are not followed as stated, which leads to decisions being made during those situations that impact participation for that event.

Before a grievance is filed, ensure that the department superintendent has been consulted. If a resolution cannot be reached the following procedures are in place.

Protests & Appeals

It is important to note that some decisions cannot be protested/appealed. These include:

- Decisions made by judges, which are final.
- Issues related to deadlines for 4-H enrollment, livestock identification, and/or county/state fair entry deadlines.
- Code of Conduct related violations which are addressed in a separate document.

Who may submit?

- Any Iowa 4-H member and his/her/their parent or guardian.
- Only participants entered in the same department can file a protest or appeal of disciplinary action.

Who responds?

- A committee that has been established by the extension council district that includes: Council member, county director, county 4-H staff member, overall superintendent, and 4-H and Fair committee member. (Names to be determined in July)

Process for individuals filing a protest or complaint - use official form obtained from the 4-H Office or download from the ISU Extension and Outreach Woodbury County Website.

- During the county fair, protests/complaints must be filed within 24 hours of the incident.
- The written protest/complaint must include:
 - Names of persons involved AND cause of protest or complaint
 - Date and time of incident
 - Specific action, rule, etc., in question
 - Situation and documentation
 - Additional persons the committee may contact for further clarification

- Signature of 4-H member and their parent/guardian filing the protest or complaint
- \$50 deposit fee; this fee will be refunded if the protest or complaint is upheld.
- The written protest/complaint must be submitted in a sealed envelope to the 4-H office on the Woodbury County Fairgrounds during office hours. Should any testing fees be incurred, they will be at the expense of the parties filing the grievance. The grievance committee will not provide page 1 to the exhibitor; however, the complainant should not expect confidentiality during this process.
- Committee will address protest/complain and relay a decision in writing within 48 hours.

Information on what the 4-H'er needs to do to prepare some of their exhibits for fair is on the following website: <https://www.extension.iastate.edu/4h/exhibit-tip-sheets>.

Elements of Design and Art Principles (required)

Exhibits in Home Improvement, Visual Arts, Clothing & Fashion, Sewing & Needle Arts will need to include an explanation of design elements and/or art principles. **4-H members will be dropped one ribbon placing if those design elements and/or art principles are not included.**

Design Elements and Art Principles: 4-H members will need an explanation of at least 3 design elements and/or art principles that the 4-H'er must include in their write-up/goals for visual arts, home improvement, and clothing and fashion, and sewing/needle arts. **Learning about Elements of Design and Principles of Design will increase your understanding of how and why some things work together and some simply don't look right.**

A design is a visual plan you can use to create your 4-H project. Everything you can see has a design. When you describe something you see, you use words that tell about your project.

The Elements of Design are: line, shape, color, texture and space.

The Principles of Design are: Rhythm, proportion, emphasis, balance and unity.

Some combinations of design elements (line, shape, color, texture and space) work better than others. Principles of Design help you understand why some combinations work.

The design elements and art principles publications give some great examples that you could use in your project write-up.

Elements and Principle of Design Publication available at the Extension store at

<https://store.extension.iastate.edu/product/464>

Clothing Elements and Principles of Design publication can be found at

<https://store.extension.iastate.edu/product/262>

Home Improvement Elements and Principles of Design publication can be found at

<https://store.extension.iastate.edu/Product/12945>

Suggestion: use bullet points, or bold print, in your write-up so that the 4-H judge can easily find your elements of design and art principles.

Those without permission cannot be displayed. 4-H'ers must ask for permission before fair.

Exhibits will be judged on Monday, July 28, in the Varied Industries Building located on the fairgrounds.

Conference Judging Schedule

The Conference Judging Schedule will be published in the 4-H Scene newsletter. Conference judging means that the member takes his/her exhibit to the judge of that department and discusses the exhibit and the member's learning in a two-way conversation. The judge then makes the decision on the ribbon placing.

4-H clubs must be judged at the assigned times. Each club will be given a color wristband for each member and the time for their conference judging on the day of judging. If the 4-H member has a large number of exhibits or will not be able to be judged at the assigned time, that 4-H member will need to contact the General 4-H Building Superintendent before fair judging day. 4-H members who do not come at their assigned time and/or did not have prior approval will have to wait until their judging time or if late will be judged as time allows. All exhibits will be judged.

It is important that clubs adhere to the judging schedule so that judging runs smoothly throughout judging day. 4-H Clover Kids will be able to talk about their projects with a judge in the Restrooms next to the Varied Industry Building on Monday, July 28, 2025.

2025 Conference Judging Schedule is posted at: <https://www.extension.iastate.edu/woodbury/county-fair>

4-H Clover Kids – A booth will be provided for 4-H Clover Kids in the 4-H Exhibit Building or if the member is with a 4-H club the member may have their exhibits in the club booth that the member is closely associated with.

State Fair Information

Exhibits that do not comply with size guidelines, copyright, and safety procedures will not be accepted for entry, evaluation, or display at the Iowa State Fair.

The Iowa State Fair and Iowa State University Extension will use diligence to ensure the safety of articles entered for exhibition after their arrival and placement. However, they will not be responsible for damage or loss by accident, fire, theft, etc. Due to security, 4-H'ers are discouraged from sending items that have special meaning and historical value as the exhibit or part of an exhibit.

Large Items selected for state fair: 4-H members who have large items selected for State Fair must bring their project to the Iowa State Fair on Tuesday, August 5 at the designated check-in time for Woodbury County (Another option would be to have the notebook/write-up go instead of the project).

Those large items must also be picked up their items in Des Moines, Iowa on Monday, August 18 at Woodbury's designated check-out time. We will communicate this information at the Mandatory State Fair meetings on Tuesday and Wednesday of County Fair week and coordinate with other families taking large exhibits.

4-H members will have the option of not having their project go to the state fair. A 4-H member whose exhibit was selected for reserve champion will be asked (reserved champions are all ranked 1,2,3...).

4-H members who receive a state fair grand champion in restored tractor and/or restored automobile will have the option to take their exhibits to the Iowa State Fair and have the project conference judged. Those 4-H members will receive a special form to fill out.

The 4-H Pie Fund pays the entry fees for 4-H members who are selected in State Fair 4-H communications and the clothing events, those 4-H'ers do not receive premium money. 4-H members selected and then decide not to attend those events will need to pay the county back the entry fee. Premiums are not paid for 4-H static exhibits selected for the Iowa State Fair; that money is used for part of the transportation costs of exhibits to the Iowa State Fair and back. Static exhibits selected for state fair MUST be brought to the Extension Office on Monday, August 4 between the hours of 8 a.m. – 11 a.m. Staff and volunteers are not responsible for damaged or lost items.

Exhibits selected at the county level to advance to the Iowa State Fair should not be part of a local auction or sold to another individual before the Iowa State Fair.

Mandatory State Fair Meetings

To find out if your exhibit was selected for State Fair go into FairEntry. By Tuesday morning all projects will have ribbons posted in FairEntry.

Two mandatory meetings will take place at (please attend one of the meetings if your project received a champion or reserve champion ribbon):

- **6:00 p.m. on Tuesday of the fair in Flathers Hall**
- **4:30 p.m. on Wednesday of the fair in Flathers Hall (pictures will also be taken.)**

Members not bringing state fair item to office – Being chosen the State Fair is an honor. Each year we are given a quota for the number of projects that we can send, and we wish to have Woodbury County well represented. Steps are taken to ensure that all paperwork and requirements are met for exhibits to be eligible for the State Fair. This is covered at the State Fair meeting. Intent to exhibit letters are also turned in by Wednesday night. If a 4-Her does not follow through on their signed intent letter, they will not be given the opportunity to go to the State Fair the following year. A reserve champion in the same class will be chosen to go in their place.

Booth Contest in the 4-H Building

The purpose of the booth contest is to encourage cleanliness, and maintenance of the booth(s) throughout the fair. The booth should be attractive with a focus on the 4-H members and projects.

A theme is not required. Booths will be judged on neatness, cleanliness, correct use of the clover, attractiveness of the booth, and visibility of club name in each booth if the club has more than one booth. Booths will be judged throughout each day of the fair by department superintendents. Placings will be posted each day. The top 4-H Club will be awarded a traveling trophy to use in their booth the following year.

Booth Set Up: 4-H Clubs are allowed the same amount of time for booth set up and decorating. Booths can be set up on judging day beginning at 7:00 a.m.

Dedication

Of the 2025 Woodbury County Fairbook

Charlie Reinking

A friend to all, Charlie was a dedicated man. Dedicated to his family – wife Diane of 60 years, children, grandchildren and great grandchildren.

His farm – that he had worked with his father and brother and eventually his two sons on that same farm, for nearly 58 years.

His church, First Lutheran Church of Kingsley, where he served in many capacities.

Lastly, his community service. He was on various boards from the Farmers Elevator Coop of Pierson, to Pierson Town and Country, and the Woodbury County Fair Board – also being a Rutland Township Trustee.

While we said goodbye to Charlie in February, the smirk on his face and the twinkle in his eyes will be remembered always.

The legacy of service will live on in the many people that he mentored over the years. Charlie enlisted the help of his wife, Diane, his children, and grandchildren – to pitch in and volunteer their time as well.

Not only did Charlie know everyone, he loved and enjoyed being around people.

Thank you for the memories, Charlie!
